There is definitely a family-like atmosphere among staff. Everyone is working hard, smiling, helping one another, and going above and beyond for customers.

Workshops: Opportunities to Build Community

The Co-op offers workshops led by staff as well as by outside experts throughout the year. Workshops provide opportunities to get to know other staff members in these sessions while sharing the talents and knowledge they bring to their team.

We encourage staff members to attend these sessions as a means to explore their interests and build community within the Co-op.
