CO-OP CONNECTION

Present your Middlebury Natural Foods Co-op Member card at any of the following businesses to receive the listed discount!

What is it?

At the Co-op, our investment in a Vibrant Local Economy extends beyond our store walls and the local producers whose products we sell. Through our Co-op Connection program, we've formed a partnership with 20 Middlebury businesses, to help sustain and grow our downtown. These local shops, salons, service centers and health clubs have entered into a partnership with the Co-op, providing a discount or special deal for our member-owners. In turn, the Co-op provides a discount to these business owners and their households and helps to get the word out about the products and services they provide. As Co-op member-owners, you can contribute to AND benefit from using this program, by shopping locally. **Put your money where your home is.**

Member-owners, take a look at the benefits you'll enjoy through the Co-op Connection when you present your Co-op Card!

These discounts may not be used on sale items or combined with other offers
