And Learning About These Values

The Board of Directors is the legal representative of the member-owners of MNFC and is therefore responsible for the overall financial well-being of the Co-op. The Board exercises its responsibilities through its relationship with the General Manager, whom it hires and oversees. The Board is made up of 11 directors. Each term of office is three years, and terms are staggered so no more than 4 terms expire each year. Currently, there are no term limits.

Brief Explanation of Policy Governance Model

The Board of Directors of MNFC governs using the model of Policy Governance. The Board develops policies outlining how the Board functions; what authority is delegated to the General Manager; and the limitations within which the General Manager operates. The General Manager communicates with the Board through monthly reports. In Policy Governance, the General Manager makes all operational decisions while the Board focuses its attention on the strategic direction of the Co-op; engages with member-owners; and monitors management performance.

Compensation

In recognition of the time and commitment required to prepare for and attend meetings, required trainings and events, directors receive a stipend plus a 10% discount on all purchases (except alcohol) at the coop. Committee chairs and Executive Officers receive additional stipends.

Please Apply! As the MNFC handbook says: Regardless of race, color, religion, age, sex, sexual orientation, gender identity, transgender status, national origin or ancestry, place of birth, disability, and genetic information, you are welcome at the Co-op. Racism or discrimination of any kind will not be tolerated.

Before You Apply To see if being an MNFC Director is the right fit for you, please come and:

1. attend a board meeting via Zoom (always open, year-round, to our member owners)
2. read a monthly board packet (available by contacting Amanda, apawarren@gmail.com, (617-721-0673))
3. meet with a member of the board via phone or video conference.

Note that these three suggestions are *not required*; however, they will help give you a better understanding of the board's process and role in the co-op.
