

1) Why I serve on the board

The Vermont food system is an important part of the Vermont economy and employs thousands of Vermonters. Supporting a community co-op as a member and in a meaningful way as a board member is important to me as it allows me to contribute to this vital part of the Vermont economy

and aligns with my personal goals to source my groceries in a more local and sustainable way.

2) My favorite Co-op item

This is a tough question. I love Ursa Major skincare, Blue Ledge Lake's Edge and Klinger's Deli Sourdough!

3) About me.

I work for a mortgage technology company and help companies drive toward more consistent and common process and technology language, the end result is a more efficient and cost effective process for everyone involved. I love what I do! I grew up in Middlebury, currently live in Vergennes. I am a big reader, foodie and have two dogs.
