

Lynn Dunton

Why I Serve on the Board: I love everything about the Coop...the staff, healthy food, the physical space, democratic ownership, and most importantly a sense of belonging to a wonderful community. One of my deeply held values is about giving back to my community through volunteer work. I have happily directed my volunteer efforts toward the Coop as the Board Treasurer for the past eight years.

My Favorite Co-op Item: Delice de Bourgogne cheese from France. So delicate, creamy, and yummy.

About Me: I began re-inventing myself in 2011 when I realized it was not too late to pursue work more aligned with my passion for peacemaking and creating opportunities for people to stay connected through conflict. I am a family and organizational mediator, coach, and facilitator. When I am not working, my husband Charlie and I enjoy biking, hiking, paddling, and x-country skiing in this place we call home...Vermont.
